## Custom Menus- Buffet or Served\*

Custom Priced based on Market Values and # of Guests

We can customize your menu based on your needs and desires. We can source the freshest, highest quality local vegetables in season, local Beef and Pork, or Fresh Seafood flown in for your event, or come up with a modest display of menu items to fit your needs. Any request can be entertained by our executive chef, and customized using current local/seasonal ingredients. Select items from our priced appetizer list below, or inquire about any special requests. Minimum orders may apply depending on your event request.
